Grandparent/Grandkids' Weekend West Neck Harbor August 14, 15 & 16, 2009

AUGUST 14-16, 2009: WEST NECK HARBOR, SHELTER ISLAND, NY

The **Fleet 5** Grandparent/Kid Weekend was enjoyed on Aug. 14, 15, and 16, 2009 at West Neck Harbor on the South Side of Shelter Island. The Reillys aboard *Shenanigans* were the hosts, and four of the six registered boats attended. (One boat family had a medical issue, and the second boat family couldn't transport their nephew).

All enjoyed a shared cocktail party aboard *Shenanigans* on Friday evening. (photo #1)

On Saturday the games began! A riotous three-legged race (photo #2) ended in a tie between two teams! The kids tossed water balloons, and had an egg-on-a-spoon race. Prizes were enjoyed with much laughter.

After lunch the games continued with a 'Duck Egg' hunt and sand castle building challenge. A highlight was the scavenger hunt on the beach.

Our BBQ on the beach included one missing egg hiding under the tablecloth, and delicious food shared by all.

Sunday morning activity was a short ride through the marshes, a kayak journey, and then sadly, a turning toward home with very little wind.

Everyone voted to repeat the event next year! (maybe someone else, and an eastern site)
